

American Institute of Architects Redwood Empire

Homeowner Rebuild Workshop

Vet's Hall Memorial Building
1351 Maple Avenue, Santa Rosa

AIARE.org

rebuild together

The first round of this event will take place

Wednesday November 15th &

Thursday November 16th

Doors are open to Homeowners from 1:00PM - 7:00PM

This is an open house event, come anytime that works for you

The Redwood Empire Chapter of the AIA has been working diligently with to stay abreast of relief regulations, changes to code and permitting and is prepared to get you through your rebuild.

Our Architects will be available to you during this Homeowner Rebuild Workshop to answer your questions and be sure you are aware of these regulations, changes in code and how they will affect you.

COME ASK YOUR QUESTIONS...

Do I need an architect?

How do I start my rebuilding process?

I want to rebuild what I had... I want to build something new.

What is being done at a the city and county level to help me?

This is a complimentary event. The AIA Architects are volunteering their time.
